Utah	All resident adjusters are required to take and pass an exam prior to being licensed	Yes	88 Non-Resident Adjusters are expected to have tested in their home state prior to applying for a Non-Resident License in Utah	All licenses renew every two years, at the end of the month, based on when they were originally licensed. Ex: Licensed April 16, 2006 - Renewal April 30, 2008	\$77.00	24 hours of CE is required to be done by all Resident Adjusters prior to the end of the renewal period. Non-Resident Adjusters are expected to meet the CE requirements of their home state
Vermont	Yes, Vermont requires workers compensation adjusters to obtain a Vermont workers compensation adjusters license	There is a test, and a cost. The licensing is handled by the State insurance department which contracts with a testing agency. This department and the Insurance department review test questions and answers in advance to be sure they accurately reflect Vermont law		Yes the license must be renewed (I think it is every two years.) and there is a renewal cost		Yes there are continuing education requirements. This department (labor) sponsors regular adjusters conferences (2x per year). A variety of courses are offered for adjusters to enable them to meet the Continuing Ed requirements.
Virginia	No	N/A	N/A	N/A	N/A	N/A
Washington	The WA Insurance Commissioner's Office advised they do not license WC adjusters. The adjusters are regulated by the WA State DOLI. Per DOLI, if the adjuster works for the Dept of Labor, they do not require a license. They do go through specialized training. A large employer such as Wal-Mart can self insure and hire their own TPA and the employer may require their adjusters be licensed	No	N/A	N/A	N/A	N/A
West Virginia	West Virginia does not have a specific WC adjuster license. We require those folks handling WC claims to pursue our 'regular' P&C Adjuster license.	Yes, administered by Pearson VUE (formerly Promissor)	\$110.00	Adjuster licenses are renewed annually by June 1st	\$25.00	No
Wisconsin	No	N/A	N/A	N/A	N/A	N/A

Wyoming	Wyoming is a monopolistic state regard Workers Compensation. However, if there is a policy for an employer that is written by an insurer and a loss occurs, the adjuster would have to be licensed in this state as a P&C adjuster.	If not licensed in his home state of residency, must take our required exam.	Initial license is \$100 for a 2-yr license	Every two years thereafter.	\$100 every two years thereafter.	Once licensed, he must complete our CE requirement during each 2-yr licensing period
